Introducing the significant historic Loring Estate, home of esteemed American novelist, Emilie Loring. The winding driveway and circular receiving court lead you to the main residence. Original period detail such as lead glass windows, charming window seats and decorative fireplace mantels accent the extensive renovation and seamless addition. An elegant foyer complements the grand living room, private study and billiard room. The chef's kitchen opens to the sun-filled family room and breakfast area. A fabulous entertainment room is conveniently located off the family room. The second floor has five spacious bedrooms. The third level features an additional two bedrooms with full bath and separate living area. The private 1.7 acres includes a putting green and sport court. This unique compound includes a carriage house, completely renovated with three bedrooms, a beautiful gazebo family room, gourmet kitchen and two car garage with separate driveway.
